ELECTRIC VEHICLE EXTENDED RANGE

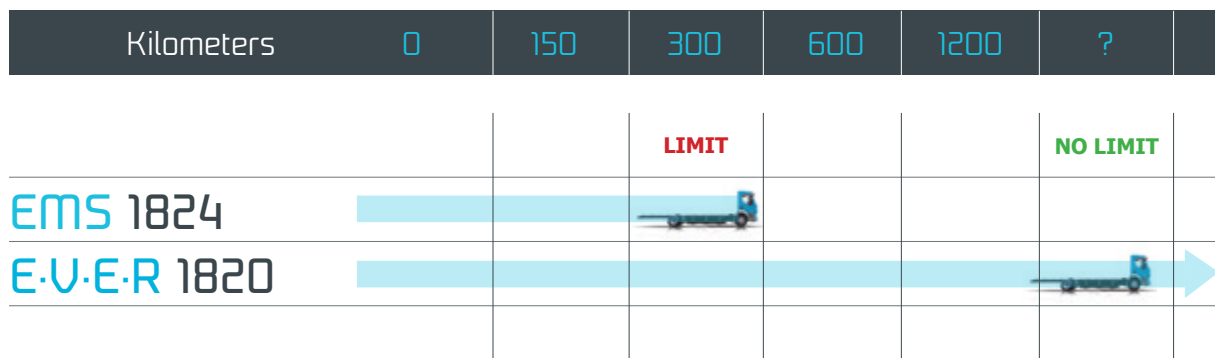

# EMOSS E·V·E·R

## Electric Vehicles with an Extended Range

Imagine an electric vehicle with no range limit. Charge it when possible, drive it the rest of the time. Impossible? Guess again!

## EMOSS introduces E·V·E·R

The EMOSS E·V·E·R-technology let's you charge while you're driving. Extending the range of your electric vehicle significantly. Never worry about your range again. We'll make sure you'll keep your promises. We'll keep you going for EVER!
